

CMA 2016 -ePoster layout and formatting guideline

Formatting:

Font – Arial, Calibri

Title text – Minimum font size - 40pt

Headings/Sub-headings – Minimum font size - 36pt

Body text – Minimum font size – 30pt

Background colour – Suitable light colour

File format - Microsoft Powerpoint (.ppt or .pptx)

Page set up - Slide size, 40.97x23.04, which is a 16:9 ratio

Margins – One inches all around

Layout - portrait orientation

Each poster presentation shall be introduced by a title slide including the **title of the paper, author(s), affiliation(s) and country**. An e-Poster must not exceed three slides (excluding the title slide) and should contain the following content – background, objectives, method, results, conclusion(acknowledgement, if applicable).

Your slides will be displayed in a presentation loop switching content at dedicated time slots. Thus, you should consider to be precise and concise on what you want to communicate.

The e-poster should follow a two column format. Each column may conveniently be divided into sections as - background, objectives, method, results, conclusion.

You can use multimedia content being integrated into your e-Poster showing animations, simulations, short video or other content.

Images: high-resolution images in one of these formats: .tiff, .jpeg, .pg, .bmp and .gif.

Video: In .wmv, .avi, .mp4 or .mpeg, formats. Please note that if you include video material in each of the slides, each slide should not not exceed 1 minute. The total length of all videos should not exceed three minutes.

Audio: Not supported.

Slide transition: No effects between slides. No text/image transition within a slides.

Hyper-links: Not allowed.

Submitting the presentation: Please email the presentation to abstracts@cma2016.org.
